Foreword

Bowling is one of the most healthful indoor recreations; it exercises every muscle in the body, teaches one to be accurate and develops a resolute control of arms and legs. It gives recreation, diversion, pleasure and healthful exercise to more people than any other sport for every month in the year in that it is primarily a game for participants.

Great strides have been made in the growth of the game nationally since the organization of the American Bowling Congress, and also locally since our own Association was formed.

Only through your co-operation is it possible to make this book complete in its information and items of interest to you, and its aim is to help you know bowlers and bowling better in the Louisville area.

In this 1967 Edition of the Year Book, names of bowlers are listed alphabetically, showing all official averages for the season of 1966-67. Official averages are based on 21 games or more as per our rules. Preceding the averages is a code (blue section) identifying the league and lanes where the average was established.

All material, cuts, and wording used in ads were submitted by the advertisers and in no way reflect the opinion of the publisher; nor should they be considered an endorsement by the Greater Louisville Bowling Association.

We wish to extend our sincere thanks to you, and want you to know that the energy, enthusiasm and constant loyalty which has made bowling what it is today, is deeply appreciated by the officers of your City Association.

GREATER LOUISVILLE BOWLING ASSOCIATION

DEDICATION

This, the 14th edition of the Average and Year Book in printed form, is dedicated to its former editor, GUY WILSON.

Guy worked tirelessly over the past dozen years to make the Year Book the interesting, informative publication that it is today. Last season, he asked to be relieved of these duties in order to have more time for recreation and other pursuits. However, he is continuing to serve in an advisory role.

A former President of the G. L. B. A., Guy also was long interested in the encouragement of junior bowling, which he said would provide future generations of Association members.

FREEMAN A. ALLSMILLER

President, Greater Louisville Bowling Association

Freeman A. Allsmiller, known as "Paddles" to his many friends, has been a bowler for 39 of his 55 years.

He was elected to the Board of Directors in 1960 and became President of the G. L. B. A. on August 1, 1967. Thus, during the 1967-68 season, he will be serving in the dual capacity of President and Editor of the Association's annual Average and Year Book. As Editor, he succeeded Guy Wilson.

Paddles has been secretary of the Union Printcrafts League since 1952 and is a past president of the Tri-City Union Printcrafts Bowling Association. He is a former secretary of the Louisville Union Printcrafts Bowling Association.

He bowls in two leagues, one with his wife, Margaret. They have three children, Barbara, Gary and Joyce. Barbara and Gary also bowl, and Joyce, the youngest, is thinking of taking it up. Paddles' average last season was 170

and his career high average is 177. His high league series was a 688.

He has a record of long, faithful work in bowling and in the G. L. B. A. During his term of office as President, he hopes to see "the biggest City Tournament ever."

He plans to continue a number of Association features, such as the Instructional Schools for league officers and others.

A MESSAGE FROM THE SECRETARY

CRUSE

Membership for 1966-67 was slightly less than the previous season. This season, the Greater Louisville Bowling Association sanctioned 623 winter leagues with a membership of 21,041 (summer leagues not included).

This, compared with our peak season of 1963-64 when we sanctioned 655 winter leagues with a membership of over 22,000, shows a decrease of 32 leagues and a decrease in membership of 1,000.

Encouraging progress is reflected in Greater Louisville Junior Bowling Association membership. The opportunities here for growth are almost unlimited. Moreover, the work with the boys and girls can be most rewarding. As junior bowlers are the bowlers of the future, anything you can do to help develop juniors or bring new groups into the game would be an advancement for bowling. Certainly this is a help towards getting bowling on an upswing.

You are well aware that in recent years we have been seriously concerned with the mounting number of arrearage cases and withdrawals from league play. I believe that such cases could be solved at the league level.

Two years ago, an amendment was adopted to ABC Rule 106 which specified that a league may, by rule, declare games forfeited if participants in a team's lineup are not current in the payment of their fees. If a league does not adopt and enforce such a rule, it is held responsible for the recovery of any loss created by arrearages.

This year, another amendment to ABC Rule 106 was adopted. The new amendment gives definite procedures for the league Board of Directors to follow when a member has been accused of failing to pay league fees or withdrawing without sufficient cause.

I feel that this will succeed in forging a final link, not only in helping the league to a better operation in cutting down the arrearage cases, but in establishing the fundamental evidence which is a definite requirement if the case is forwarded to the local association and eventually to the ABC.

A new amendment to ABC Rule 101A and Rule 339 provides that grade and high school students who have not attained the age of 19 must have written consent of parent or guardian to participate in bowling competition where cash or merchandise prizes are offered.

This consent form must be signed and turned in to the league at least one week before he would be eligible to bowl. This gives the league ample time to check with the parents to find out if they understand what they are signing. Formerly, all males other than those in the Armed Forces under the age of 19 had to have such consent.

Again, I would like to remind you that this association has a representative at each establishment for your assistance. Please feel free to contact him. His name and phone number are posted in a conspicuous place. He can help in getting your league sanctioned or in settling problems in your league.

I would like to take this opportunity to thank you for the cooperation and courtesy shown me during the past season.

Best wishes for a successful season.

Secretary, Greater Louisville Bowling Association

NOW POSITIVELY SEE YOUR WAY TO BETTER BOWLING SCORES WITH THE NEW **MAGIC CIRCLE BALL**

Now for the first time, you can clearly "see" your own delivery with the distinctive pattern formed by the Rally Stripe as the Magic Circle Ball rolls down the lane. By carefully watching the pattern formed when you roll a strike, then closely duplicating your "success pattern" you will consistently score higher.

EARLY HISTORY OF BOWLING In Louisville

The Greater Louisville Bowling Association was first a matter of formality before it became a permanent organization. The Association would hold a meeting each year just prior to the American Bowling Congress Tournament, and then each club in Louisville, that contemplated attending the A.B.C. Tournament would pay the necessary dues. This procedure was followed each year until 1907 when a permanent organization was effected. The officers chosen for this charter organization of 1907, were E. B. Addison, President; John J. Barry, First Vice-President; F. J. Manteuffel, Second Vice-President, and J. L. Schramme, Secretary-Treasurer.

(The above was taken from some old records on hand; however, from an A.B.C. yearbook we find the following notation: Louisville was one of the first cities to form an association (1899) and join the A.B.C. after its foundation in 1895.)

Around 1900 there was an eight-club traveling league known as the Louisville Bowling League. They rolled at Owen's Alleys at 20th and Chestnut; Keoner Bros. at 18th and Walnut; West End Alleys at 25th and Market and Obst Alleys at Hancock and Breckinridge.

The first bowling tournament in Louisville was conducted at the Owen Bowling Alleys, 635-637 S. 4th St., from June 24 through 30. The Rough Riders won the championship with a score of 2688.

Louisville was host to an American Bowling Congress Tournament in 1906 and the building used was our Armory at 6th and Walnut Sts. Sixteen lanes were installed there for use in the tournament and the event lasted eleven days, March 17 to 27. The entry list showed 221 five-man teams, 460 doubles and 897 singles. The prize list amounted to \$12,418.50.

Following the A.B.C. Tournament held in Pittsburgh in 1910, Price Owen, Chas. Herman and Alf Martin took up the matter of classification and at the annual meeting of the L.B.A. held in August, 1910, the classification basis proposed by Mr. Owen and the By-Laws and the Constitution of the L.B.A. were adopted after a hard fight. Price Owen also advocated the incorporation of the L.B.A. Louisville then was the only City Association at that time that was incorporated and the only city that was operating its leagues on a classification basis. The wisdom of this idea has been proven by time, as all cities of any consequence as bowling centers, have adopted some form of classification in order that the low or mediocre bowler might compete in leagues with men of his own ability.

Louisville and New York City are the only city associations with the distinction of having had four men serve as President of the American Bowling Congress. The Louisville men were in order of service: In 1905-06, J. H. "Jake" Haager, a Police Chief for the City of Louisville; in 1918-19 and again in 1919-20, Robert "Bob" Brown, a local sports editor; in 1934-35, Alf F. Martin, a claim agent of the L. & N. R.R. and the late John L. Sullivan, long-time secretary of the L.B.A. in 1950-51.

To give you an idea of the growth of bowling in Louisville, in 1900 there was one team registered with the A.B.C. In 1910 there were 33, dropped to 22 in 1920: In 1926 we had 46 teams but 1927 brought a big increase in bowling with 187 teams registered. The number grew each year and for the 1966-67 season the Louisville area had 6,850 teams.

The records of the association were lost for a period of years and our present records only date back to 1929.

THE BOWLING FRATERNITIES

The following articles are of associations, clubs and organizations pertinent to the bowlers of the Louisville area.

As truly as bowling is a sport it is also social and civic in its embrace, thus calling for many diversified organizations to administer its many activities. The G. L. B. A. participates in many of these clubs and is always willing to advise or assist in the formation of any new ones.

GREATER LOUISVILLE BOWLING COUNCIL

The Council, organized in 1948 as the Louisville Bowling Council, adopted the present name in 1967 to describe better the area serviced. Its purpose is best explained in its slogan of "Promoting harmony among all groups identified with bowling in general." The Council consists of four members each from the G.L.B.A., L.W.B.A. and B.P.A.L.

A prime function of the Council is the annual Crippled Children's Charity Drive. Over a 19-year period, these voluntary contributions have reached a total of \$106,500.29. The 1966 Drive netted \$7,244.55, which was distributed to Kentuckiana Chiropractic Center, Msgr. Pitt's Cerebral Palsy School, Kosair Crippled Children Hospital, Local Muscular Dystrophy, and Shelby County Council for Retarded Children. Indiana funds went to Southeastern Rehabilitation Center, Joseph Rauch Memorial School, New Hope School for Retarded Children, and Harrison County Council for Retarded Children.

The Council also conducts bowlers' Instructional Schools at area bowling establishments for advising bowlers and league officers in proper bowling procedures.

Officers of the Council are William D. Wilson, Chairman; Frances Sehr, First Vice-Chairman; James Bunnell, Second Vice-Chairman, and Nellie Nau, Secretary-Treasurer.

KENTUCKY STATE BOWLING ASSOCIATION

State Tournament at Paducah in November, 1967

The Kentucky State Bowling Association was officially organized in the summer of 1956. Its purpose is to promote bowling in our State of Kentucky and foster good sportsmanship among the bowlers.

The K. S. B. A. and its attendant tournament have continued to grow in size and stature and have brought to the state a more common bond and a greater working knowledge of our favorite sport.

At the annual meeting in Hopkinsville, the following officers were elected: Dr. Robert Coleman, Hopkinsville, President; James Howard, Richmond, First Vice-President; Carl Walden, Lexington, Second Vice-President; Gene Wells, Louisville, Third Vice-President; Sherman Lambert, Henderson, Fourth Vice-President, and Cliff Brandon, Paducah, Fifth Vice-President. James D. Bradley of Lexington is Secretary-Treasurer.

The 12th annual State Tournament will be held in Paducah on weekends of November 11-12, 18-19 and 25-26. The annual meeting will be on Sunday, November 26, at 9 a.m. All of the events will be held at the Cardinal Lanes at 28th and Beltline.

The K. S. B. A. held its fifth annual Jamboree in Madisonville on June 3. Others have been in Louisville, Prestonsburg, Henderson and Frankfort.

SOUTHERN BOWLING CONGRESS

1968 Tournament at Tampa, Fla., in March

The Southern Bowling Congress held its 30th meeting and tournament in Baton Rouge, La. Kentucky was well represented in the field of 602 teams, but it was not our state's year for winning prize money. The major portion of the \$35,000 prize fund was won by others.

At the meeting, Charles D. Davidson was elected President for the 1967-68 season. Charlie is from Baton Rouge and was one of the many individuals who made the 1967 S. B. C. Tournament such a success.

From Kentucky, Gene Wells of Louisville was reelected as Vice-President, as were the three Kentucky Directors: Charles McNally of Prestonsburg, Cecil Powell of Frankfort and Max Weinstein of Louisville. Also attending the meeting were Life Members Ed Gardner of Paducah, Lloyd Terry of Owensboro and Jacques Curwen of Louisville, who is also Secretary-Treasurer of the S. B. C.

The 1968 Tournament will be held in March at Tampa, Fla. With the tourney in Tampa, it offers the bowler a chance to combine a tournament with a vacation. The 1969 Tournament was awarded to Huntsville, Ala. This is only 320 miles from Louisville.

Bowlers wishing information or entry blanks may contact Jacques Curwen, Secretary-Treasurer, 318 Biltmore Road, Louisville, Phone 895-7404. Even if you're the only one on your team interested in going to Tampa, don't hesitate to call. Several teams are made up for the S. B. C. each year. Don't miss the trip to the "Land of Sunshine."

QUARTER CENTURY BOWLING ASSOCIATION

Home No. 5

The Quarter Century Bowling Association is an organization of male bowlers who have participated in the game at least 25 years, either in open or league play. Its functions are strictly social so that the older bowlers, both active and retired, can perpetuate the pleasant friendships and experiences accumulated throughout the years.

The Association was formed in 1948 when the late Charlie Frank, Sr. enrolled some 40 charter members to form Home No. 5. They then elected George E. Graf, President; Newton Seibert, Vice-President and Matt Hillerich, Secretary.

There is no initiation or regular bowling and dues are \$2.00 a year. In April a Spring Party is held and in August an Annual Stag Outing. In December the membership convenes to elect new officers and have a Christmas Party. At all these functions food, refreshments and entertainment are always on hand.

Each year in November an Annual Singles Tournament is held for those members who care to participate. Winner of the 1966 Tournament was Gene Koenig.

There are now over 200 members, with room for others who care to join the 'Old Timers' and have a good time. Any eligibles desiring to participate should contact a membership friend or call any of the officers listed.

Officers for 1967 are: Joseph Kraemer, President; Jack Koch, Vice-President; Andrew Kostolnik, Jr., Secretary-Treasurer, 2302 W. Lee Street, Phone 778-1549.

BOWLING PROPRIETORS ASSOCIATION OF LOUISVILLE

The Bowling Proprietors Association of Louisville was formed in 1946 by 12 proprietors of bowling establishments in Jefferson County. In 1958 the Association was reorganized and incorporated in the State of Kentucky. The B. P. A. of L. is an affiliate of the Kentucky Bowling Proprietors Association. It is the aim of this organization "To Provide The Best Service and Conditions for Bowling and its Promotion."

The member establishments (listed herein) of the Bowling Proprietors Association of Louisville present to their bowlers a complete awards and tournament program for the 1967-68 season. This program has been designed to acknowledge the achievements of all bowlers by providing awards based on his or her individual average.

To the youth of Kentucky, the Kentucky Youth Bowling Association offers one of the most wholesome amateur sports program in the nation under the responsibility of your B. P. A. proprietor.

This new tournament program provides the thrill of tournament bowling to every B. P. A. league bowler at the house, district and state level . . . at a very nominal cost. In two tournaments, the "Honor Awards Tournament" and the "Husband and Wife Tournament", successfully initiated in 1965-66, the bowlers paid only for their bowling. Their participating B. P. A. member proprietor paid all additional tournament expenses and prizes.

Officers of the B. P. A. of L. are Woody Axton of Ten Pin Lanes, President; Jim Bunnell of Indian Trail Lanes, Vice-President; Ed Torstrick of Hikes Point Lanes, Treasurer, and Walt Adams of Lyndon Lanes, Secretary.

COURTESIES OF THE LANES

Etiquette and sportsmanship go hand in hand in all forms of sports. Observing a few basic courtesies can add much to your pleasure and scores thus gaining you the respect of your companions.

- *The beginner should be helped, not ridiculed; a prospective bowler could be laughed out of the sport. At all times confine remarks to the bench.*
- *Turn scoremarking duties over to someone else BEFORE it is your turn to bowl. Others can be as adept at keeping score as you.*
- *Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.*
- *Give right of way to bowlers already on approach. In event corresponding bowlers address the pins at the same time the man on the right should take the initiative.*
- *Get set for your shot, don't waste your time and everybody else's by useless posing or waiting until everybody in the establishment is off the approaches.*
- *After each delivery move to the rear of the runway. This assures players in adjacent lanes of no interference from you.*
- *The runways may not be exactly to your liking, but don't attempt to condition them yourself. The management is much better equipped to do the job.*
- *When the match is over leave the playing area promptly. Scores can be tallied away from the lanes and the next group of bowlers can start their games.*
- *Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over. Bowling is a social sport.*

HOLY NAME BOWLING ASSOCIATION

The Holy Name Bowling Association was organized in 1939 under the auspices of the Louisville Archdiocesan Union of the Holy Name Society. From a modest beginning of 16 teams, the Association has grown to its large present day stature. It coordinates, regulates and promotes the activities of all of its affiliates.

Now in its second quarter century, the Association proves the old axiom of getting better with age. Success stems from team work of the officers from each of eleven divisions under the able leadership of Chairman John Wirth, Vice-Chairman Gene Metzler and Ted Mussler, Secretary-Treasurer.

The Mid-Season Sweepstakes had entries of 105 in the team event, 213 in doubles and 439 in singles. The team event was won by the Travelers of the B League, captained by Bob Murphy. Doubles honors went to Gene Metzler and B. Heil of the Major League, and the singles winner was Paul Kinney of the B League.

The Association's grand champions were determined by rollofs at the end of the season. The team winner was St. Theresa No. 1 of the A League, captained by F. Krach. Louis Moser and Robert Davis of the B League won the doubles championship, and singles honors went to S. Schepers of the K League.

The Association is sincerely grateful to its many sponsors for their enthusiastic support, and hopes it will merit that continued support for many years to come.

All Holy Name Bowling Association members are looking forward to another grand group of champions in 1967-68 and a successful bowling season for all.

UNION PRINTCRAFTS BOWLING ASSOCIATION

The Louisville Union Printing Crafts Bowling Association is an affiliate of the Union Printcrafts Tri-City Bowling Association, whose purpose is to promote an annual tournament and social gathering for union printers and their ladies. The affair rotates between the membership cities of Cincinnati, Louisville, Indianapolis in the order named. The 21st annual meet will be in Indianapolis in February, 1968.

A big attraction in these meets, besides the bowling, is the social activities. There is a dance, refreshment room, entertainment, banquet and other diversified affairs of interest. All this makes a two-day gala event. Expenses are met mostly through weekly dues which allows its members to attend tournament activities for a very nominal registration fee.

The local organization was formed from a bowling league which started in 1914 and is still in existence. In 1916 local members invited some Cincinnati members for match games and the result was the formation of the Union Printing Crafts Tri-State B. A. This eventually spread to some 15 cities in the Kentucky, Indiana, and Ohio area. Such a large tournament became cumbersome, so in 1946 Cincinnati, Louisville and Indianapolis formed the Tri-City Association which has proven well balanced, well co-ordinated and very successful.

Most certainly there is no local tournament which compares with the Annual Tri-City Meets insofar as local participation and social activities are concerned. These tournaments draw from 115 to 155 four-man teams. Each year the total registration, including the ladies, runs around 1,000.

The Louisville Association includes some 6 leagues and over 500 members. There were 80 Louisville teams in the 1967 meet held here. About 60 local teams enter the out-of-town meets.

SPECIAL BY-LAWS

Section 1. Contracts governing league and tournaments for use of lanes for their games are strictly agreements between the leagues or tournament association and the bowling lane proprietor. GLBA is not a party in any way to these agreements or contracts. However, once these contracts are entered into, oral or written, GLBA shall recommend to ABC the suspension of bowlers or proprietors who violate any of the provisions of the contracts.

Section 2. It is the duty of all league secretaries to furnish to the GLBA Secretary the full names, home addresses, team and league affiliations of all bowlers in their league within 42 days after the league begins its schedule, or within 10 days after an individual has joined a sanctioned team.

Failure to do so within the specified time limit set forth in the request shall subject that league secretary to trial before the Board with a recommendation to the legal committee of ABC.

Section 4. Persons desiring to present matters for consideration and action at the meetings of the Council or the Board must notify the GLBA Secretary at least 10 days in advance of such meeting. Such notifications must both be in writing and briefly explain the matters involved including names and addresses of all parties mentioned therein.

All charges made against persons and all statements alleged to have been made by a person, which may bear on any case before the Board, must be sustained by a witness or witnesses at the hearing of such cases, before such statements or charges will be given credence.

Section 5. Official averages of bowlers in GLBA shall be based on not less than 21 games in any one league. No combination of two or more leagues shall be used to make the 21 game minimum. GLBA will recognize averages for the past ten years.

Section 6. Any bowler intentionally delivering his ball in a careless or unusual manner, thereby lowering his average or that of his team, shall be cited for trial before the Board with a recommendation to the legal committee of ABC.

Section 7. For violation of any law or laws of GLBA or ABC, where no specific penalty is provided, the Board shall have the power to discipline individuals or teams as it sees fit.

Section 9. It is understood that when no specific date is included in a proposed amendment to either the Constitution or Bylaws, the same shall become effective on August 1 following date of adoption. If specific effective date is included in such amendment, this date shall be recognized for both adoption and enforcement.

SPECIAL BY-LAWS

City Tournament

Section 1. GLBA shall conduct an annual city championship tournament at a time decided by the Board, the result of which shall decide the championships of GLBA.

Section 2. All games in the GLBA championships shall be played in strict accordance with the laws, rules and regulations governing tournament play as set forth in the ABC Rules and Regulations and with any rules of GLBA.

Section 3. The tournament shall consist of a five-man event, a two-man event, an individual and an all-events contest. Three consecutive games shall be bowled by each entrant and the highest total pins or highest total pins with handicap shall decide the winner. The winner in each event shall be declared GLBA champion and shall hold title until the next championships are held.

Section 4. Not more than \$5.00 per person may be charged as entry fees in the five-man event, two-man event or individual event and not more than \$2.00 per individual in the all-events.

Section 5. Entries for GLBA championships shall be accepted only from teams and individuals who are bona fide members of GLBA.

Section 6. Bowlers may roll in the five-man event of the city tournament only with as many teams as they are members. (See ABC Rule No. 330 governing city association tournaments). When a bowler is a member of two or more five-man teams entered in the city tournament, his first score in the five-man event shall count towards his all-events score.

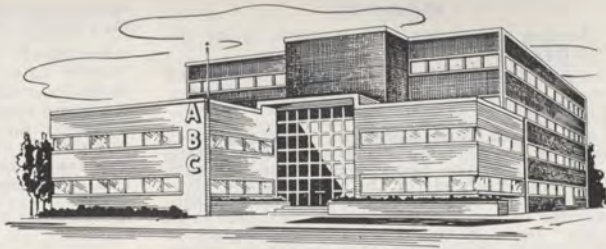

Section 7. The Board shall have the right to award the city tournament to any bowling establishment or establishments, which, in their judgment, might successfully conduct such tournament. The Board shall also have the power to name all conditions surrounding the bowling of the city tournament unless otherwise instructed by the Council or expressly covered in these rules or by the ABC rules.

Section 8. Averages for use in the city tournament shall be taken at a date set by the Board and shall be the highest average in any league on that date provided the bowler has bowled 21 or more games.

Any bowler having an average, said bowler being out of the game for a period of time, will not be permitted to bowl in the city tournament below his average, unless given an average by the GLBA Board.

Where a bowler has no official average, 160 shall be the minimum average for use in this tournament. The City Tournament Secretary's Office shall have the right to determine any bowler's average.

YOUR MONEY PROTECTED BY ABC BONDING PROGRAM

All league (both adult and junior), city and state association officers are automatically bonded in the amount of \$5,000. Their funds are also insured against loss by burglary and holdup. To obtain full coverage under these programs certain conditions must be followed in the handling of funds. These are:

1. The funds must be deposited in a recognized banking institution weekly in the name of the organization.
2. The treasurer and one other officer of the organization must co-sign for all withdrawals.
3. The president of the organization must verify monthly the balance in the account.

Under the bond only 50% coverage is granted if any or all of these conditions are not observed.

The burglary and holdup insurance covers one week's receipts up to \$1,000 and all authorized withdrawals to \$5,000. Unless funds are deposited in a recognized banking institution, the insurance company is liable for only one week's receipts.

ABC's HOME OFFICE

The national headquarters office of the American Bowling Congress (pictured above) was dedicated on April 25, 1952. This beautiful ultramodern building is located at 1572 E. Capitol Drive in Milwaukee, Wisconsin. An addition has been completed which more than doubles the original capacity of the building. It is here that the Congress' staff of 90 employees, under the direction of Frank K. Baker, ABC secretary, performs the many and varied services of the ABC.

Field offices are maintained in San Mateo, Calif.; New York City, N. Y.; Columbus, Ohio; Atlanta, Ga.; Dallas, Tex.; Portland, Ore., and another in Wisconsin in year-round service to Congress membership.

awards for every championship team in every league and city and state association tournament . . . and additional awards for special accomplishments including the Century Award.

Other services feature rule books and a variety of other "tools" essential to the creation and operation of leagues and tournaments. These "tools" include model league constitutions, schedule codes, average calculators and cards, handicap manuals, standing sheets, membership cards and many others.

The climax to every bowling season is the colorful ABC Tournament which attracts 25,000 to 40,000 bowlers each year and pays a prize list from \$300,000 to \$500,000. It is the world's largest participant sport show.

ABC's annual convention is held in conjunction with its tournament. Rule changes and policy plans are formulated by delegates from 2,000 city associations representing the leagues from local areas.

Delegates elect 75 officers and directors and a Secretary-Treasurer to administer ABC's business. With the exception of the Secretary, these officers serve without pay.

ABC publishes BOWLING magazine and provides a News Letter service on bowling events to the press and radio.

Founded in 1895, it was incorporated in 1903.

Thousands of inquiries on rules and other bowling problems are handled by the office each year. It originates 3,400 pieces of mail every day.

Editor's Note: For additional information on the ABC's awards program and services of ABC we refer you to any of the ABC's rule books. There you will find an outline of these services.

PIN FALL OF 1966-67

By KEN RUSH

Courier-Journal Bowling Editor

Rush

Led by a couple of bowlers named Al Kaelin and Jim Ewald Jr., the Greater Louisville area had its best scoring season since 1960-61, when a tenpin explosion produced many records that are still on the books.

In number of 700s, Kaelin and Ewald shared honors with 10 each. But it was mostly Kaelin's year.

He finished the campaign with a 214 average, a top series of 769 and a new five-game league record of 1220, beating a record he set five years earlier. Moreover, he won the City Tourney all-events actual championship, won the Louisville All-Star title, went to the finals of the National All-Star at St. Louis (finishing 11th among 12 men) and took a brief three-week try on the professional tour.

Young Ewald, who became 20 years old during his second adult bowling season, did well, too. He averaged over 200 in five leagues, with highs of 211 and 209, and had 749 series.

Kaelin and Ewald had good company in scoring.

A total of 109 three-game series of 700 or better came from 73 men, headed by Bob Starks' 782 on games of 256, 270 and 256.

There were six 300s, only one short of the season record, but the surprising thing was that there weren't more because there were four 299s, three 298s, four 297s and one 296—a total of 12 games in which a 12th strike would have meant "perfect."

The Hall of Fame, in its third year, inducted four more members—Jacques Curwen, George Goetz and the late Ray "Razzie" Kirchner and Joe Dries. All have been prominent in Louisville bowling over the years.

The Potts Advertising team, captained by Melvin Potts Jr., won the coveted five-man handicap title in the 1967 City Tournament. Besides first prize of \$800, the team also will receive the equivalent of \$185 in entry fees and expense money for the State Tournament, to be held this fall at Paducah, Ky.

The team event of the 1968 City Tournament will be held at Western Lanes, starting in late January, with doubles and singles at Olympic Center in Middletown.

Pro regular Billy Hardwick bowled enough in two Louisville leagues during breaks in the tour schedule to establish 206 averages in both. Like Kaelin, he gained the National All-Star finals, finishing sixth.

As innovations during the season, a new Louisville Travelers League was formed, with six five-man teams competing at six houses. And Louisville schools joined in the formation of a new Kentucky Intercollegiate Bowling Association, which engaged in league activity and wound up with a tournament at Lexington.

In national competition, a Pee Wee Reese Lanes team won third place and \$3,000 in the National Team Handicap Tournament at Rapid City, S. D. In the 1966 State Tournament at Hopkinsville, Don Adams of Louisville won the all-

events championship and a berth in the American Bowling Congress Masters Tournament at Miami Beach.

Louisville was host to a number of tournaments of national significance, such as the American Blind Bowlers Association, the United Auto Workers, the Great Lakes Shrine Association and the Postal Employees.

At the end of the year, there were three fewer active establishments but the Greater Louisville area still had a total of 42.

Champion Lanes closed its doors, and two other centers removed themselves from league competition—Fort Knox No. 3, eight lanes, which now is used primarily for trainee recreation, and Valley Lanes, which is using four of its eight lanes at Valley Station for a recreational center.

People Who KNOW Good Printing Insist On The Label

This label is your assurance that the work was done by master craftsmen members of the five printing trade unions. It also is your assurance that the user's relationship with his employee is American.

By adopting the Union Label on your printed material, it will bear a message of good will, not only to the organized workers and their families in the Louisville Area, but also to unorganized workers who realize that favorable working conditions are maintained only through the organization of the worker.
